CTCIS 2016

October 15-17, 2016, Chengdu, China

CTCIS 2016 Organizing Committee

General Chair

Changxiang Shen, Beijing University of Technology, China, Fellow of CAE

Vice General Chair

Huanguo Zhang, Wuhan University, China

Weilin Xu, Sichuan University, China

Assistant General Chair

Bo Zhao, Wuhan University, China

Program Chair

Xingshu Chen, Sichuan University, China

Vice Program Chair

Junfeng Wang, Sichuan University, China

Fei Yan, Wuhan University, China

Program Committee Members

(Please see the conference web page)

Organizing Chair

Wenxian Wang, Sichuan University, China

Xiao He, Sichuan University, China

Industry & Exhibition Chairs:

Ping Huang, Sichuan University, China

Conference Organization:

Cybersecurity Research Institute, Sichuan University, China

Sponsor:

2016 Chinese Conference on Trusted Computing and Information Security

The 10th Chinese Conference on Trusted Computing and Information Security (CTCIS 2016) continues a series of events dedicated to trusted computing and information security, focusing on new theories, mechanisms, infrastructures, services, tools, and benchmarks. CTCIS 2016 provides a forum for researchers and developers in academia, industry and government to share their excellent ideas and experiences in the areas of trusted computing and information security in the broad context of cloud computing, big data, Internet of Things, etc. Topics of interest include, but are not limited to:

- Theory of trusted computing, trustworthy software
- Infrastructure of trusted computing, application and evaluation of trusted computing
- Network security and communication security
- Theory and technology of cryptographic
- Information content security
- System security for mobile network and IoT systems, industrial control and embedded systems, etc.
- Security for Cloud computing, virtualization systems and big data

The accepted papers will be published by SCI-indexed journals, including China Communications, Journal of Tsinghua University (English Edition), and EI-indexed Journal of Wuhan University (English Edition), Journal of Sichuan University (Engineering Edition). More information about publication will be updated on conference website at http://www.ctcis.cn. Authors of accepted papers are expected to present their papers at the Conference and at least one author of each paper MUST register for the Conference in order for the papers to be included in the program.

Important Dates:

Deadline for paper submission:	May 31, 2016
Notification of acceptance of proposals:	July 15, 2016
Notification of paper acceptance:	August 30, 2016
Deadline for author registration:	September 30, 2016

For further information, please contact Dr. Wang at ctcis2016@163.com.
